#### **THE REAL LAWS OF NATURE**

*The Law of Close Encounters: The probability of meeting someone you know increases dramatically when you are with someone you don't want to be seen with.*

*The Law of the Result: When you try to prove to someone that a machine won't work, it will.*

*The Law of Biomechanics: The severity of the itch is inversely proportional to the reach.*

*The Coffee Law: As soon as you sit down with a cup of hot coffee, your boss will ask you to do something which will last until the coffee is cold.*

*Law of Logical Argument: Anything is possible if you don't know what you are talking about.*

*Oliver's Law of Public Speaking: A closed mouth gathers no feet.*

*Wilson's Law of Commercial Marketing Strategy: As soon as you find a product that you really like, they will stop making it.*
