Congratulations to all teams in the Grand Finals, great competition was had by all on the night.

Next season starts the week of the 13th May,

As most of you are aware, there have been significant changes to our Association website over the past couple of months, integrating a lot of the administration of the Association into the website. This newsletter will be last one produced in this format. All communication to players will now be done via the website. This includes team grading, fixtures and other relevant information that you, the players require.

Below are some website links for information on the Winter season. Please utilize these to determine what grade your team is in and when/where you are playing each week.
